

The Brookfield Pub – Annual Report

Hello from all the team at the Brookfield.

When Covid made it's appearance 2 years ago, things were not so good, not just for your local Pub but for the whole community.

Having to close our doors to you all was very difficult. We have continually fought back at every opportunity, even adhering to Government restrictions, albeit very challenging we were able to continue to serve our Parish with their local watering hole.

We've continued to build the business back up and have enjoyed putting some great events on, we had fantastic support for the Euro Football Competition, England certainly did us proud, surprising how many of our regulars took a particular interest in this, maybe due to the 'free shots' on offer if England scored !

We were able to hold the Annual Christmas Prize Draw last December which was a great success, lots of Christmas Jumper's on show too, sadly though Covid was coming back with vengeance and yet again we had no choice but to cancel our Annual OAP Luncheon.

There have been monthly promotions, 2 for 1 on Burger's and Pizza's, Pie Nights and Special Menus, Disco & Karaoke Nights, all of which have helped to bring customers in from other local communities. The Quiz Nights have continued to be very popular and a great season for our resident Pool Team achieving promotion to the Premier Division.

The Food Standards Agency came to visit us back in February and we maintained our 5 Star Food Hygiene Rating.

We are very much looking forward to The Queen's Jubilee in June, there are many things planned to celebrate this, it will be great to see the whole community come together for this.

We are truly grateful that all our Members and non Members have continued to support us over these difficult times, we now have approximately 100 members.

Thank you to everyone for your continued support

The Brookfield Team
